

PARENT SERVICE HOURS OPPORTUNITIES 2023 - 2024

Arroyo Pacific Academy believes it is important for all parents to be part of their student's educational experience. Each family upon acceptance is encouraged to participate in the Parent Service Hours Program by volunteering time and/or resources to make the school year more memorable for our students. Home stay parents are also encouraged to participate.

Parent Service Hours provide a platform for social activities among parents, create a sense of investment, and provide necessary assistance with activities and events. Because of such dedication and support, we are able to provide students with fun and enriching experiences that foster student growth and strengthen the community.

Thank you in advance for the time if you choose to contribute, because without the help of dedicated and generous volunteers, many of our events and programs would not be available for students.
