INTERNATIONAL STUDENT PROGRAM 2024-2025

ADMISSION PROCESS AND REQUIREMENTS

Thank you for considering Arroyo Pacific Academy. The following information explains our International Student Program admission process and Form I-20 policy and procedures with the hope of ensuring a smooth and effective transition into our Academy.

Arroyo Pacific Academy is a four-year private, independent, coeducational, secular, college preparatory elementary, middle, and high school in Arcadia, California in the County of Los Angeles. Arroyo Pacific Academy is fully accredited by the Schools Commission of the Western Association of Schools and Colleges (W.A.S.C.).

Applicants may apply directly to the Admissions Office. Agents may help prepare documents for the admission process. Applicants will be required to provide current immigration documents to be copied and submit personal information as required by the U.S. Immigration and Customs Enforcement. The documents have to be translated into English and evaluated by an approved agency. In addition, international students are required to meet the same academic and admission requirements as other students. Please note that any falsification of signature or documents will result in denial of admission or dismissal.

Upon receiving the completed application with all required original documentation and non-refundable fee, the applicant will be interviewed by the Admissions Director via Skype, Zoom or phone. Arroyo Pacific Academy will then evaluate the applicant for possible admission. If accepted, Arroyo Pacific Academy will then mail out an Acceptance Packet after receipt of the tuition deposit. If the tuition deposit has been paid, the student, family and agent are acknowledging that the student will be attending Arroyo Pacific Academy unless the F1 visa has been denied.

International students accepted and enrolled at Arroyo Pacific Academy are expected to attend an International Orientation, which will provide an overview of the program. The student will be administered an English Proficiency Examination and Mathematics Placement Examination. At Orientation, the student will be given his/her class schedule and then will purchase textbooks online by setting up an account at arr.escobooks.com. The textbooks must be delivered to the United States address where the student will live while enrolled at Arroyo Pacific Academy. Additional details will be forthcoming.

If we can be of further assistance, please feel free to contact our Admissions Office at admissions@arroyopacific.org.

Respectfully,
