SUMMER CAMPING AT SEQUOIA!

Adventure outdoors!

From June 2nd to 5th, our energetic 7th graders embarked on an unforgettable summer camping trip to the breathtaking Sequoia National Park.

Surrounded by giant sequoia trees and stunning wilderness, our students traded their screens for sleeping bags and spent four incredible days connecting with nature, developing team-building skills, and creating lifelong memories.

Message from the Principal

Dear Families,

I hope you are having a wonderful, restful break! We had a fun-filled start to summer with a camping trip by Sequoia National Park, highlighted here in our first newsletter of the year. Currently our K-12 summer school session is going strong (running through August 7), and we are incredibly proud of the hard work our summer students are putting in. We are excited to spend our summer with those of you who are on campus and look forward to seeing the rest of you again in the fall.

Warm regards,
Janice Yen

College Advising

June is the start of our application season! Rising Seniors, remember to make appointments with Ms. Fellows. 9th–11th graders don't forget that summer is your best time to volunteer in your communities and build experiences that will be the foundation of your college essays!

Last Month in Pictures

Happy Summer APA Community!

Our 2026 Summer School program officially kicked off on June 8th! Our campus is buzzing with energy as students in grades K–12 dive into an exciting season of learning, growth, and academic advancement.

"The beautiful thing about learning is that no one can take it away from you."

— B.B. King
